THESE WELL-KNOWN AND VERY POPU-LAR COOKING STOVES have been before the public since 1852. Each succeeding year has added to their popularity, until the name has become fa-miliar in every household in the West and South. The demand for our able representation of the stockholders throughout the country, the large commercial centers will be represented in its Board of Directors, and local agents will be appointed on the recommendation of the stockholders in the various localities, and the sizes then made; anticipating a still greater demand during the present year, we have made patterns for several additional sizes, and are prepared to manufacture 120 to 130 CHARTER OAK STOVES, per day, of
TWENTY-FIGHT DIFFERENT SIZES-

We guarancee the operation of every stove we manufacture, and offer as reference any one of the many thousands that have been sold, wherever they may be found. Neither labor or expense has been spared to make our NEW CHARTER OAK a PERFECT COOKING STOVE, PERFECT COOKING STOVE, and we offer it to the trade as the BEST CONSTRUCTED, MOST DURABLE and UNIFORM operating COOKING STOVE in the market.

In addition to our EXTENSIVE STOVE BUSINESS, we are prepared to offer to Stove Dealers, Tinsmiths and others in the trade, the largest and most complete assortment of Metals and Tinners' stock in the West. Our arrangements with the St. Louis Stamptag Company enables us to give liberal discounts to large buyers of Fixench STAMPED TINNED IRONWARE, and Tinners' Supplies. Having recently reduced the prices of all articles of our OWN MANUFACTURE, we believe dealers and honsekeepers will find it to their interest to send for Catalogue and Price List and examine our prices before purchasing elsewhere. EXECUTIVE COMMITTEE.

To the telegraph business of the country.—
The proposed routes of our range are annually becoming more and more populous. Cheaper rates and more rapid, certain and reliable facilities will greatly popularize the telegraph and insure its substitution for the mails for the purpose of current commercial correspondence. All these considerations point to our future as an important one, and plainly show that this is the golden opportunity for inaugurating a teleand it has, by its intrinsic virtues as a remarkable and Squares, John M Jaycox, Fred'k Prentice, graphic enterprise of the character and
